

RYAN CLARK

Technical Rider

Technical rider & Stage plot

First of all, thank you for your interest in booking Ryan Clark. Below is a list of our technical requirements. We designed this rider for optimum effectiveness at the day of the show. If there are any questions or if you have trouble providing any of the below mentioned please get in touch with us before the day of the show and we will work out a solution.

Our stage setup is:

- 1 Drum-kit
- 1 Bass Guitar
- 2 Electric Guitars
- 1 Rhythm/Acoustic Guitar
- 2 Vocals
- Perc Pad

We assume that there is an adequate PA system provided for the concert space with sufficient power to supply a clean and undistorted 110dB SPL RMS to the mixing desk and a powerful and feedback-proof monitor system. We will need four (4) monitor mixes.

Stage Plot

(see attach Document)

STAFF

We request a qualified sound engineer, stage technician, and lights technician. We do travel with a sound engineers, but we've found that many venues prefer to have their own people working with their equipment, and we understand. Our engineers can/will work with yours if need be.

EQUIPMENT SHARING & SOUNDCHECK

The drummer always plays his own drum-kit and will not share his drums with the other bands unless agreeable prior to event. All guitar rigs will be provided by the band. Each electric guitar amp can have an SM57 or equivalent for the house and stage mix. We will need an absolute minimum of 45 minutes sound check, a total of 1.5-2 hours including setup would be perfect.

ARRIVAL/SHOW ADVANCE

Please provide detailed directions two weeks before the date of the show with the complete address of the venue and a telephone contact.
We need a safe parking space available for the bands vehicles close to the venue. Please provide arrival, sound check and doors-open and on-stage times. The promoter or another person should be at the venue at arrival time.

FOOD & DRINKS

If meals are provided, we ask for at least eight in traveling party to be provided no less that 1.5 hours per-show and no more than 2 hours post-show. (If Applicable)
Bottles of cooled non-carbonated water for stage and backstage. Also a variety of cooled sodas (Coke, Diet Coke, Etc) is desired, but not required Please see attached backstage rider for specific needs

GREEN ROOM

A separate room for the band to get some rest before and after the show. Mirrors, sinks, seating. Hot Tea w/ honey is a must for the lead singer, and water. If a green room is not available a suitable substitute should be discussed when the show is advanced.

ACCOMMODATIONS

(If Applicable)(Agent will inform if this is necessary)

Minimum of two, preferably 3 hotel rooms for night of show unless otherwise arranged.

MERCHANDISE

A table of approx. 4 ft. in length and a light with space for a banner behind
located in high traffic area of venue (i.e. lobby).
Optional: extra table for the band to sit and sign merch.
(If Allowed or Applicable)

MISCELLANEOUS

Guest list of 5 people max. (at discretion of the venue)
